STAFFING

All employees hired for catered events are paid at hourly banquet rates rather than a calculated gratuity or tip. Staffing is determined based on the number of guests, the venue, amount of setup and break down time required, as well as the complexity of the menu served.

RENTALS

The rentals needed to execute each event fluctuates depending on your needs and the requirements of the venue. Each proposal will receive an estimate of rental charges based on the given event logistics.

ADDITIONAL COSTS

All events are subject to a 5% administration fee which is based on the full cost of the event. The administrative fee is not a gratuity and serves to offset ancillary expenses associated with the planning and administration of this event.

Transportation costs within New York City start at \$150 and all events that take place outside of the five boroughs are subject to additional fees.

All event charges are subject to 8.875% New York State sales tax. Credit card payments are subject to a 3% processing fee.

Ice will be billed at cost, depending on the beverage selection and need of the venue.

There is a \$5,000 minimum for food and beverage for our events.
